

Time Compliance Technical Orders (TCTO) Procedures

Proficiency Code: A

Time compliance TOs (TCTO) are the authorized method of directing and providing instructions for modifying military systems and end items or performing one-time inspections. TCTOs are categorized as Immediate Action, Urgent Action, Routine Action, Routine Safety Action and Record. The category determines the compliance period. TO 00-5-15 provides detailed procedures on the TCTO process within the company under official navy contracts and were provided counterfeits for various weapon platforms.
